## LETTER OF AGREEMENT

Between

NATIONWIDE CHILDREN'S HOSPITAL

and

THE FAMILY OF "KIRILL KONDRASHEV"

December 4, 2020

RE: "Kirill Kondrashev"

This Letter of Agreement constitutes a formal understanding between Nationwide Children's Hospital, Columbus, Ohio (hereafter "Children's"), and the family of "Kirill Kondrashev" (hereafter, "Family"), regarding the sponsorship and medical treatment for "Kirill Kondrashev".

Nationwide Children's Hospital and its affiliated practitioners agree to provide medical care and treatment to "Kirill Kondrashev" ("Patient") using one Zolgensma infusion until December 31, 2021. This care will be provided at Nationwide Children's Hospital with the Neurology Clinic overseeing the patient's care related to the treatment of Spinal muscular atrophy (SMA).

The payment of \$2,325,000.00 USD is a single comprehensive payment that includes all the medical care related to the Zolgensma treatment for the patient. This includes, the infusion of the drug Zolgensma, the cost of the medical follow up needed before and after the infusion, including labs, clinical office visits, physical therapy evaluation and therapy, pharmacy, and even urgent care visits if needed.

The family has agreed to assume full financial and other responsibilities for the following:

1. All arrangements and the cost of transportation to and from the country of residence to and from Children's.
2. Obtain all necessary documents for child regarding foreign visitor and/or Visa status.
3. Obtain and provide to Children's the appropriate consents from the legal guardian for medical treatment.
4. Insure the care and support of the patient when he is outside of Children's facilities.
5. Assure a legal guardian or support person accompanies the child and is available to the child and to Children's during all phases of hospital care, including planning for discharge needs.
